

## Western World revolts against Satanic ruling class

There is a massive attack taking place against the Satanic ruling cabal in most Western countries. This is being seen in mass demonstrations, military moves and criminal prosecutions.

Take a look at these huge demonstrations in Italy, Australia, Austria, Switzerland, Brussels, etc. It looks a lot like what happened just before the fall of the Berlin Wall in Eastern Europe.

The pattern is the same, the ruling class -facing bankruptcy and popular revolt- increases repression of the population. This creates a negative feedback loop by causing ever more popular discontent until the military and police join the people and overthrow the ruling class.

After Austrian Chancellor Alexander Schallenberg decided to confine unvaccinated people, the police and the military announced they would refuse to control the “health passes” in the name of “**freedom and human dignity.**”

**“Europe has fallen. Austria was lost and the rest will all collapse by year end,” says MI6.**

**In North America as well, a major military campaign against the cabal has begun. This is being seen in the media as large floods that have cut off Vancouver, Canada, from the rest of the country.**

“If anyone thinks this climate storm that severed Vancouver from the ROC was anything but the military, you are jackass morons. The odds of EVERY highway being closed defies probability. The intensity of the storm defies the natural law of the area. This was weather warfare and the landslides were equipment deployed during the summer by the Canadian Military with crates of explosives labeled Operation Atlas Strike 21. We saw the crates being offloaded from the C17

Globemaster III transports in Kelowna,” a CIA source says.

**The floods have coincided with Canadian television broadcasting news about the arson at three freemason temples in Vancouver. What is interesting is that the arson took place in March but it is being broadcast as if it is happening now. Canadian Secret Intelligence Service and CIA sources say the roads have been blocked to prevent criminals from escaping from police action against the Synagogue of Satan in Vancouver. This Satanic temple has been identified as using money from Communist China to fund Antifa and Black Lives Matter demonstrations and sabotage throughout North America.**

The Gnostic Illuminati has also now re-emerged in East Asia. They have declared war against the Unification Church, the East Asian drug and weapons dealing allies of the Bush Nazi faction, Illuminati sources say. They say they will use one of the 500 megaton nuclear bombs they took from the Russian submarine Kursk in 2000. The specific target is the Kansai plain in Japan. This area includes the cities of

Osaka, Kyoto and Kobe. The sources say they will be destroyed on December 21st unless the following demands are met:

1. The Japanese government use state and corporate media networks to inform its people the truth about what happened in Fukushima on March 11, 2011
2. Arrest all Japanese politicians, gangsters etc. who were complicit in the attack.
3. Inform the Japanese public that the pandemic is fake and apologize for coercing people to wear masks, take vaccines and suffer economic hardship as a result
4. Arrest all people involved in promoting the fake pandemic and vaccines in Japan
5. Stop financial support for the criminal and fake Biden administration.

The White Dragon Society supports the demands of the gnostic Illuminati but does not support the mass murder of innocents for political goals. It has thus has asked the Illuminati to not destroy the Kansai plain. However, an evacuation of civilians and cultural treasures from the area is recommended if these demands are not met because the Illuminati seemed determined to go ahead, explaining the ruling class of the Kansai plain was deeply involved in the plan to destroy and evacuate greater Tokyo during the Fukushima attack of 2011.

The move against the Japanese guilty parties in Fukushima is possible thanks to testimony by former Israeli Prime Minister Benyamin Netanyahu, Mossad sources say. It's also because three of the top Fukushima perpetrators were fired from Mossad, the sources add.

To understand the evil being fought both in Japan and the West, we need to look at ancient Babylon, the ultimate source of the evil permeating Western and parts of Eastern civilization. (As a matter of background; the Japanese ruling class based in Kyoto claims it originated in ancient Mesopotamia and Egypt).

A message to Asian secret societies from a British royal reads as follows, "We face a shared enemy" so "East and West need to come together to vanquish wrong and defend the right irrespective of race, creed or color."

As an example of how ancient this enemy is, we note the ancient Assyrian king Ashurnasirpal II (who ruled from 883 to 859 BC) wrote "*I built a pillar over against the city gate and I flayed all the chiefs who had revolted and I covered the pillar with their skins.*" *He burned, blinded, and beheaded rebels, set "maidens" ablaze and condemned opposing soldiers to die of dehydration in the desert.*

The reason this ancient history is being mentioned is that the ruling Satanic western elite is still burning young women.

The extremely graphic and disturbing video below was found during the raid on Jeffrey Epstein's Island. It shows a naked girl being burned with a blow torch, apparently to harvest adrenochrome.

This is not a random crime, but part of a systematic harvest of children. To join the rich and famous in the West participation in child sacrifice and the resultant blackmail is necessary. FBI statistics show that more than 40,000 children vanish each year in the US, never to be seen again. That is a rate that is over 20 times higher than in countries like those in Africa that do not have a Satanic ruling class.

Take a look at the picture below of celebrities who have visited Epstein's island.

This criminal indictment lists Miramax Films, the Walt Disney Corporation, Universal Music, Vivendi, Sprint Corporation, Viacom CBS, The City of New York Police Department, Sony Entertainment and over 200 “John Does” as being among the people charged with “stalking, repeated drugging, kidnapping, sexual assault, abuse, extortion, unlawful surveillance, decades of human trafficking and sexual assault etc.

The convicted criminal Joao Teixeira de Faria was one of the suppliers of slaves to the Epstein island, according to CIA sources. *He enslaved hundreds of girls over years who served as wombs to get pregnant, for their babies to be sold. These girls were murdered after ten years of giving birth. He has been interviewed by Oprah and has treated Bill Clinton*

<https://www.dailymail.co.uk/news/article-6657805/John-God-faith-healer-kept-teenagers-sex-slaves-sold-babies-40-000.html>

Of course, the Epstein Island was just one small center. There are many others such as the Getty Museum.

investigate the Getty Museum, a pedophile fortress with more than 12 floors underground. Two million women and children were there until 2018. There are elevators and practically a city down below with thousands of sex slaves. Only people on list A can walk all over the place, the elevators lead to a tunnel system. It is guarded with high security. It is a hell created within another hell! Epstein Island is just the tip of the iceberg! Welcome to reality --RenatoKU--

British royal claims to have seen a video of Barbara Bush (daughter of Church of Satan founder Aleister Crowley), George Bush Sr., David Rockefeller and others “on tape at a blood-soaked murder orgy at the World Trade Center.” We are trying to obtain a copy of this video from Mossad in order to let the world know.

The royal also says about Queen Elizabeth II that “much has been done to her over the years -including Diana- but she has survived and is very much alive.” In a sign of how much care is being taken to keep her alive, the source says “all the palaces have been stripped to the bone for wiretaps. All the floors were ripped out.”

The precautions are being taken because of the ongoing state of war against the Satanists, the source says.

As aware people all know by now, the Satanic ruling class has been using mass vaccination and mark-of-the-beast-style vaccine IDs to try to impose a totalitarian rule to stay in power.

Their vaccine campaign is collapsing now not just because of the demonstrations but because of the sheer incompetence of the people carrying out the campaign.

In Australia, Shadow Victorian Health Minister Georgie Crozier says the Andrews government’s controversial pandemic bill is in “complete shambles.” The contradictions, flip flops, etc, all show a dysfunctional government, she says. For example, you need to show proof of vaccination to buy shoes but not to visit an old folks home.

In Israel, the government confirms infections, sickness and fatal injuries are only being seen in vaccinated individuals.

That is probably why the FDA is asking a Federal Judge to Grant it Until the Year 2076 to Fully Release Pfizer’s COVID-19 Vaccine Data. So the feds give Pfizer billions of dollars, shield it from liability, force Americans to take its product but won’t let you see safety or efficacy data?

<https://aaronisiri.substack.com/p/fda-asks-federal-judge-to-grant-it>

By contrast, despite the lack of vaccines, North Korea reports zero cases of new coronavirus after another round of testing

<https://www.nknews.org/2021/11/north-korea-one-of-only-two-countries-yet-to-begin-covid-19-vaccinations-who/>

Furthermore, even brainwashed corporate propagandists are suffering cognitive dissonance as they wonder why Africa, with almost no vaccinations, has no Covid.

Anyway, so much has been written about the fake pandemic already that suffice it to say, it is just a matter of time before all the perpetrators will be punished for war crimes.

The other thing to note is the fake administration of “Fuck” Joe Biden is collapsing economically.

*So many problems have converged all at once. Food and energy prices are up. Deficits of \$5.9 trillion over the 24 months ending September 30, 2021, and a Fed balance sheet expansion of nearly \$5 trillion over the same period, have irrevocably damaged the entire pricing structure of the financial system and the economy*

<https://www.zerohedge.com/energy/how-they-intend-get-us-you-will-own-nothing-and-be-happy>

We are now finding out the fake Biden regime is selling the US strategic petroleum reserve to China in order to stave off bankruptcy for a while longer.

<https://www.rumormillnews.com/cgi-bin/forum.cgi?read=187469>

The situation is so bad that commodity trade advisers are now 100% recommending you dump US Treasuries.

What we are about to witness will not only be the collapse of the United States. It will be the collapse of a system of secret tyranny that goes back thousands of years.

The European white nobility (as opposed to the dark nobility), the white hats in the Western military and agencies are on the side of the people. We all need to do our part and keep fighting though because these people are not planning to go quietly into the night.

When the area around Lake Geneva -home to over 200 international organizations- is liberated then humanity will finally wake up from a long and terrible nightmare.
