

WHO backpedals on Covid-19 scam as criminal, civil charges filed

The WHO has suddenly backpedaled on the Covid-19 scam, as criminal and civil charges are filed against their leadership. This is part of an autumn offensive by the White Hats in the ongoing battle for Planet Earth, ranging from byzantine intrigue at the Vatican to large-scale use of nuclear weapons. On both fronts, the good guys are winning decisive victories.

Remember, we are dealing with two competing visions for the future of the planet. One, controlled by the Khazarian Mafia, or the Chabad Death Cult, which calls for wiping out 90% of humanity and enslaving the rest. The other calls for a huge campaign to end poverty, stop environmental destruction, and explore the universe.

The global situation appears to be getting weirder by the day because the battle between these two different versions of reality is reaching a climax.

This is not just a case of the U.S. versus China or Trump versus Biden. Instead, it transcends traditional boundaries. On the theatrical news stage, for example, we are being offered two different personalities of Donald Trump and Xi Jinping, each appearing to support the agenda of a different faction.

To illustrate, let us look at the sudden turn-around at the WHO. Here is what corrupt Director-General Tedros Adhanom Ghebreyesus said in March:

“This epidemic can be pushed back but only with a coordinated and comprehensive approach that engages the entire machinery of government.” <https://www.cnn.com/2020/03/05/who-calls-on-all-nations-to-pull-out-all-the-stops-to-fight-coronavirus.html>

Then last week COVID-19 special envoy David Nabarro said:

“We in the World Health Organization do not advocate lockdowns as a primary means of control of this virus.” <https://twitter.com/spectator/status/1314573157827858434?s=20>

What changed is that a critical mass of decision-makers within the world’s intelligence and law enforcement organizations has realized the whole Covid-19 campaign is a massive crime against humanity.

One factor was the WHO’s own idiotic statements. They said recently that 780 million people got Covid-19 and of those 1,061,539 people died from it. That is an infection mortality rate of 0.14% or one-tenth of the average world death rate from all causes (1.38%).

Now the U.S. Food and Drug Administration is admitting “no quantified virus isolates of the 2019-nCoV are currently available...” <https://www.fda.gov/media/134922/download>

In other words, the entire shut down of economies, forcing people to wear masks, etc. is based on a virus they cannot even prove exists. Or perhaps the regulatory agencies don’t want to provide any data that can be examined closely, since some Indian scientists first claimed that an unnatural combination of elements was present in samples.

Even more damning is evidence produced by Dr. Reiner Fuellmich of the German Corona investigative committee. Reiner says the Rothschild family patented fake positive result Covid-19 tests years ago. Dr. Reiner is now preparing one of the largest damage lawsuits in history against the perpetrators of this fraud. <https://www.bitchute.com/video/zarFW3hwuyBc/>

MI6 sources say they have initiated worldwide criminal investigations against the Rothschilds and their Khazarian Mafia cohorts for insider trading based on this scam. Short selling of stocks in March of this year brought \$344 billion in profits to companies including Morgan Stanley, Bank of America, Charles Schwab, and the pharmaceutical company McKesson. <https://www.reuters.com/article/us-usa-stocks-shortselling-idUKKBN21811E>

<https://markets.businessinsider.com/news/stocks/stock-market-short-sellers-billions-profit-coronavirus-economic-decline-tech-2020-3-1029022585#>

However, disturbing evidence we must try to reconcile is that world leaders, including Presidents Xi Jinping of China, Donald Trump of the U.S., and Vladimir Putin of Russia, appear to be participating in this fraud by supporting the call for mass vaccination to combat a non-existent pandemic.

Are they expecting their supporters to be smart enough to refuse a voluntary vaccination and are simply allowing their detractors to poison themselves with a suicide shot containing fertility-reducing and carcinogenic vaccine ingredients?

Do they know it's virtually impossible to make a safe and effective RNA vaccine for SARS-Cov and are just playing along and biding their time with the global narrative laid out by the WHO? Remember COVID-19 stands for "Certificate Of Vaccination ID-19" and is being branded as "the name of the disease" so the sheeple know what to agree to voluntarily when lining up for their "pandemic ending" shot soon to be scheduled along with the seasonal flu jab.

Could it just be Trump's political manoeuvring after getting punked by Xi in January, to keep up appearances knowing that the Dems will try to place blame in an election year? We can understand that his presidential election rival Joe Biden is compromised and corrupt, but they are both calling for everyone to be vaccinated for this fake pandemic.

And yet, in a competing alternative reality, apparently the White Hat supporting Trump, Putin, and Xi are all calling for de-escalation every time the Khazarian Mafia tries to start World War III. Did the private meetings Trump held with Putin and Xi establish an honest working relationship allowing them to stand together and communicate via secret back channels against the Khazarian Mafia?

The most recent example is the conflict being stirred up between Azerbaijan and Armenia by the Chabad Khazarians. All three leaders jumped in to stop this latest attempt by the Chabad death cult from starting their long-planned Armageddon. Yet these same leaders are also publicly supporting mass vaccinations, which the puppet masters want to contain the mark of the beast microchips. <https://www.zerohedge.com/technology/microchipd-darpa-biochip-save-us-covid-can-control-human-dna>

Viewing all this, you can be excused for thinking that reality, or at least human social reality, is bifurcating.

The Make America Great Again President Trump is playing down the pandemic as coming to an end and trying to end U.S. involvement in overseas wars. He appears together with Melania in public.

Actions speak louder than words and Trump did sign an executive order designed to dramatically lower drug prices and made a lot of wealthy and powerful people very unhappy as he explained. The order says:

"When the Federal Government purchases a drug covered by Medicare—the cost of which is shared by American seniors who take the drug and American taxpayers—it should insist on, at a minimum, the lowest price at which the manufacturer sells that drug to any other developed nation."

Then Trump appeared with loose jowls and white around the eyes claiming he caught the virus. Was it a genius political move to show voters and the world he is not afraid to deal with the virus face-to-

face without a mask and can recover quickly with the aid of new treatments so the public should follow his lead and not let the virus dominate them?

He is still promoting vaccination as a solution to the pandemic while giving the nod to the government purchase of Fauci and Co.'s Remdesivir at \$4k to shorten an expensive hospital stay, which would never happen if HCQ was available over the counter in the U.S. like it is in developing countries for malaria.

Why is Trump continually appearing to be best friends with Satanic mass murderer Benjamin Netanyahu and calling for attacks against Iran etc. on behalf of Israel? He is never seen with Melania on these occasions.

Years of front line reporting and meeting with world leaders has taught me almost all of them are actors reading scripts. I suspect the explanation of what we see happening is Khazarian Mafia agents are still forcing world leaders to read their scripts publicly, to push their depopulation agendas on the unsuspecting global public.

Now let's look at the players behind the scenes. Here the forensic trail of evidence takes us to the control centers of monotheism, namely the Chabad death cult and the P3 Freemasons. These two factions are battling over control of the Vatican Bank and the world's central banks because money is power.

The so-called leaders you see on display at the UN are almost all given a bribe by the Vatican bank on assuming power and are told to, either accept the bribe and follow orders or be killed or otherwise removed from power. This is something I have learned from members of the Japanese imperial family, the P3 Freemasons, and other sources.

As evidence, let's examine the case of George Pell who was found guilty in February 2019 of sexually abusing children. Pell was head of the Vatican bank until his arrest and was working with Pope Francis to clean it up. Then he was fired after being jailed.

When that happened, money for the Covid-19 pandemic was made available by the Vatican Bank. The mastermind behind this was Cardinal Giovanni Angelo Becciu and a small group of like-minded Satanists.

Then Pell's guilty verdict was overturned in April of 2020. It turns out Becciu paid \$800,000 in secret funds to discredit Pell and as a result, Becciu was fired.

Speaking about this intrigue Archbishop Carlo Maria Viganò said:

"It is to be believed that the annoyance of having honest and incorruptible collaborators led to their expulsion, just as the blackmail of immoral and dishonest collaborators was considered a sort of guarantee of their loyalty and their silence. Time has shown that honest men have suffered injustice with dignity without discrediting the Vatican or the person of the Pope; it is to be believed that on the other side the corrupt and the vicious will, in turn, resort to blackmail against their accusers, as courtiers without honour have always done."

Pell is now back and cleaning up the Vatican bank again.

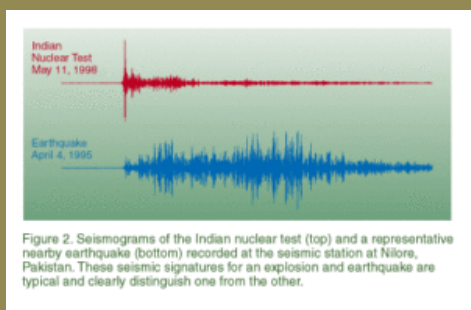

These changes at the top are believed to be the real causes of the WHO's sudden turn around on the entire Covid-19 scam. Over the coming months and years, these changes will also filter down into the removal of many world leaders. <https://www.lifesitenews.com/news/vatican-cardinal-spent-800000-to-discredit-cardinal-pell-during-sex-abuse-trial-report>

While these micro-intrigues at the Vatican can change the world, other changes are being made with large-scale nuclear attacks. The fall of Japan's Prime Minister Shinzo Abe is a case in point.

Abe was working for the Nazi faction of the Khazarian mafia led by Fuhrer George Bush Sr. He had secretly built up a giant stockpile of tanks and other weapons to be used for an assault on China. This was part of the Khazarian Mafia's plan to have the G7 and Russia invade China and divide it into six smaller countries, according to Japanese military intelligence and Asian secret society sources.

Then, in April of 2016, six huge earthquakes struck Kumamoto Prefecture in Southern Japan (the home base of Abe's Mitsubishi Choshu clan). Each earthquake had a Japanese military base at its epicenter. Also, the seismographs of the earthquakes had the telltale signs being caused by an explosion and not natural tectonic forces.

As a reminder, below is a comparison of a natural earthquake and the quake caused by an Indian nuclear test.

Now compare that to the seismographs of the Kumamoto quakes put out by a Japanese government agency.

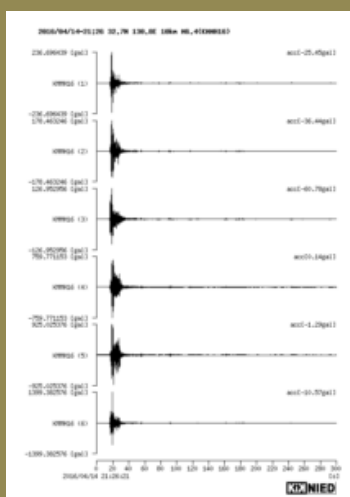

Furthermore, members of the Japan independence party who visited the sites of the quakes detected large amounts of radiation, indicating the use of nuclear weapons.

Now you can see why it was John Raymond, former head of the U.S. Space Command who told Abe to resign "or else Tokyo will be destroyed."

Related to this, was the destruction of North Korea's nuclear bomb-making facilities by the U.S. This put an end to all the Khazarian Mafia attempts to use North Korea to start a nuclear Armageddon.

The battle is far from over though. The Khazarian Chabad Death Cult is still pushing for mass micro-chipping and world war. That is why for example, North Korea just revealed a larger than ever nuclear missile.

That is also why during this fraudulent U.S. election campaign the candidates and their sidekicks Mike Pence and Kamala Harris are all pushing for mass vaccinations. [https://www.the-](https://www.the-sun.com/news/1598671/mike-pence-fly-kamala-harris-debate-video/)

[sun.com/news/1598671/mike-pence-fly-kamala-harris-debate-video/](https://www.the-sun.com/news/1598671/mike-pence-fly-kamala-harris-debate-video/)

Joining them is Xi Jinping calling for two billion vaccines to be ready by the end of 2021. http://www.xinhuanet.com/english/2020-10/11/c_139432236.htm

Then we have eight out of ten "business leaders" say you will not get promoted unless you get micro-chipped. <https://www.zerohedge.com/technology/skynet-does-office-citrix-says-2035-workers-implanted-chips-will-have-labor-market>

Apart from pushing WWIII, this is the faction that is constantly stirring up trouble and creating enemies. They say the U.S. should fight Russia, China, Iran, Venezuela, North Korea, and Syria, etc. They are also trying to blame the Covid-19 scam on China by calling it the "China virus."

Let us remember what really happened. In February China said they would stop buying U.S. debt. Then Wuhan China was hit with a massive electromagnetic attack that the CIA estimates killed 20 million people.

Japan barely avoided a similar disaster by testing 5G on the Diamond Princess Cruise ship before a planned simultaneous nation-wide rollout. When people started dropping off like flies, they delayed the 5G rollout and warned other countries to do the same. This is why it's difficult to confirm if

anyone is actually dying of SARS-Cov-2. We can see that the scientific name is virtually never mentioned in media reports.

The Khazarian Mafia had planned to divert attention by blaming the deaths on a virus with the story it leaked from a (Rothschild owned) bio-weapons facility in China. Logically thinking, if the deaths were just caused by a virus then other Chinese cities would have been hit. In fact, it only hit places where 5G microwaves were being transmitted.

Now payback has begun. New York is shut for business with both Broadway and Wall Street shut down while luxury stores there are being systematically looted.

<https://twitter.com/PamelaGeller/status/1314590707928059905?s=20>

<https://www.zerohedge.com/political/shoplifting-mobs-bulldoze-entire-luxury-ny-stores-security-paralyzed-fears-theyll-be>

This is probably yet another example of trying to misdirect people's anger at the Jews, who are victims of the Satan-worshipping Khazarian Mafia.

Nonetheless, the real perpetrators of these crimes are also being systematically hunted down and killed. When you see Netanyahu on trial for war crimes, you will know the war is finally ending.

In any case, White Dragon Society negotiations appear to be bearing fruit and there are signs that White Hats around the world are winning. We now have the British Empire, China, the Vatican, and the U.S. military calling for a massive campaign to end poverty, stop environmental destruction and expand into the universe. We remain cautiously optimistic awaiting concrete actions to follow their words.

The Chinese official Xinhua News Agency quotes UN Secretary-General (and Vatican employee), Antonio Guterres, as saying "We urgently need multilateral institutions that can act decisively, based on global consent, for the global good." http://www.xinhuanet.com/english/2020-09/25/c_139394860.htm

Then Pope Francis issues an encyclical calling for East and West to unite "in the service of a future shaped by interdependence." He also called for the creation of a future planning authority "equipped with the power to provide for the global common good, the elimination of hunger and poverty." He noted that "anyone who thinks that the only lesson to be learned was the need to improve what we were already doing, or to refine existing systems and regulations, is denying reality."

http://www.vatican.va/content/francesco/en/encyclicals/documents/papa-francesco_20201003_enciclica-fratelli-tutti.html

Also, at around the same time, the 2.3 billion citizens of the British Commonwealth have been asked, together with the rest of the world, to not just stop but reverse environmental destruction. As a part of this, Prince William called for an environmental repair program comparable to Kennedy's plan to reach the moon through "a decade of action to repair the earth." To back this, he is offering 5, one-million-pound prizes each year for plans and actions to save the environment.

The Pentagon, for its part, is getting ready to share its classified technologies with the people of the Earth. They wish to play a major part in a "Star Trek future," of human exploration of the universe, Pentagon sources say.
