

Without Prejudice

It is alleged that United Kingdom Devon County Council Civil Servants

[Phil Norrey: Chief Executive](#)

[Jennie Stephens: Chief Officer for Adult Care and Health](#)

[Jo Olsson: Chief Officer for Children's Services](#)

[Meg Booth: Chief Officer for Highways, Infrastructure Development and Waste](#)

[Dr Virginia Pearson: Chief Officer for Communities, Public Health, Environment and Prosperity](#)

[Darryl Freeman: Head of Children's Social Care](#)

[Dave Black: Head of Planning, Transportation and Environment](#)

[Dawn Stabb: Head of Education and Learning. Virtual School Headteacher \(Deputy Chief Officer\)](#)

[Jan Shadbolt: County Solicitor and Chief Officer for Legal, Communications and Human Resources](#)

[Keri Denton: Head of Economy, Enterprise and Skills](#)

[Keri Storey: Head of Adult Care Operations and Health](#)

[Mary Davis: County Treasurer](#)

[Rob Parkhouse: Head of Digital Transformation and Business Support](#)

[Tim Golby: Joint Associate Director of Commissioning](#)

have committed

Crimes Against Humanity

By authorising & assisting the installation of a 3-5G Smart Grid Radiation System on LED lamp post & public highways in Devon in breach of

The Council of Europe directive 1815 2011

"The potential dangers of electromagnetic fields and their effect on the environment,"

The [Precautionary Principle](#) (UNESCO) was [adopted by EU 2005](#)

The [Nuremberg code](#) (1949) applies to all experiments on humans.

Health & Safety and Human Rights legislation

And that they then concealed the installation of these radiation devices by calling them " A street lighting upgrade"

That they paid Taxpayers money fraudulently to Corporations for installation & maintenance of dangerous radiation devices.

That they used false research data to validate the safety of these devices.

That they allowed a potentially harmful extinction device to be installed on public highways.

That they deliberately misled elected Councillors & County Councillors as to the Health & Safety dangers of these devices.

That they agreed for The Energy Companies to force Smart Meter installation in every home.

That they agreed for The Energy Companies to force their customers to pay for this £100Bn installation on their bills.

That they authorised others to install, maintain & upgrade these radiation devices without due diligence or research.

That they breached Health & Safety & Human Rights legislation.

That they allowed radiation devices on the Public Highway without Public Liability Insurance.

That they allowed the installation of radiation devices into Devon schools endangering children

That they committed crimes of Treason against the United Kingdom Crown & Population by creating a National Security Breach in the identification, control & supervision of a potential Weapon of Mass Destruction.
