

[Khazarian Mafia Running Biden Psy-ops Out of Switzerland](#)

The grotesque psychological warfare operation against the American people known as the “Biden presidency” is run out of an underground base in Switzerland, MI6, NSA, FSB, CIA, and other sources agree. The base straddles the borders of Lichenstein, Austria, and Switzerland, allowing entry from any of those three countries, according to a CIA source. However, despite the overwhelmingly dark story of pandemic doom and “foreign enemies,” in the corporate media, the fact the ruling class has been forced to retreat to Switzerland is actually a sign they are losing the war for the planet.

We are getting word that not only the White House is unoccupied, but also Congress, Senate, Supreme Court, Federal Reserve Board, Treasury Department, etc. in Washington DC as well. We are also now hearing from the NSA that state government buildings too are unoccupied. We urge our readers who live in DC and near state government buildings to become citizen reporters and try to confirm if this is true. Certainly, live camera feeds indicate this is the case but, in this day of digital trickery, human eyes are the most reliable source.

In any case, the group that controls the Biden psy-ops is definitely the Rockefeller clan and their Swiss handlers, the sources concur. Last Friday MI6 sent the following message:

“We had confirmation today of the CIA involvement in the counter-coup of the coup that installed Mr. Trump. It appears Hillary Rodham Clinton [Rockefeller] is running the show in the background.”

The NSA for their part says the current Hillary is the sixth one being used. We all remember how during the 2016 presidential campaign Hillary was stuffed into a black van and ABC news subsequently reported her death. However, she appeared 20 pounds lighter and much younger several hours later. Also, the picture below clearly shows the current “Hillary” is much shorter than the original.

Nonetheless, whatever Hillary avatar, body double, or clone they are using; the group known as the Rockefellers are clearly running the Biden horror show.

Their plans were outlined in a March 2020 article in the Rockefeller flagship magazine Foreign Relations that was supposedly written by Joe “green screen” Biden. <https://archive.is/SGLAj>

What this shows is the group now in charge of U.S. corporate media and the fiat money computers inside the U.S. are planning to take us back in time to the 1980s and the cold war with its easy to identify enemies. Lets’ face it “commies” are easier to rally against than amorphous “terrorists” who keep changing their brand name.

NATO Secretary-General Jens Stoltenberg described this new cold war against China and Russia as “a unique opportunity.” While he tried to peddle this as an opportunity for Europe and North America “to open a new chapter in the relationship,” it is obvious he is talking about a huge fiat money bribe to the military-industrial complex. <https://www.strategic-culture.org/news/2021/03/28/stoltenberg-comes-clean-on-china-opportunity-for-nato/>

Russian FSB sources, for their part, say a very serious attempt to start World War III was now underway in Ukraine. On Monday, April 5th, Japan time, they sent us this message:

“A couple of hours ago a C-17 military transport aircraft (95-0107) with a certain military cargo arrived directly from the USA (with refueling in Seville, Spain) to Lviv Airport in Western Ukraine.”

The FSB said the “military cargo” was a nuclear device that was destined to be used in yet another attempt to start WWII.

The FSB notes:

“Ukraine does not control its own troops. Each brigade has NATO supervisors. They deeply do not care how Russia will act. Their task is to drag Russia into the war. Ukraine will be ordered to go on the offensive and they will follow that order.”

The Russians said the operation was going to be carried out by NATO’s Very High Readiness Joint Task Force (VJTF) which is under the command now of Turkish President Recep Edogan. The president of Ukraine is going to visit this task force in a few days, the FSB notes. https://www.nato.int/cps/en/natohq/news_180627.htm

Needless to say, this group now promoting a new cold war will also be staging other weapons advertising events or “crises,” featuring the usual suspects such as North Korea, Iran, China etc.

This group has also used its fake pandemic and vaccine campaign to install fascist rule across much of the G7. Since we have covered this previously in great detail we will only mention here that the fake pandemic campaign is so full of self-contradiction that more and more people are waking up. An army of whistleblowers is also pointing out this campaign is a massive war crime.

Last week Russian doctors dissected multiple COVID 19 victims confirmed what a Japanese doctor told us last week and that is that the real cause of death was “extended electromagnetic radiation.”

Now court battles against scamdemic start to bite. Last week a Belgian court ruled that all COVID 19 restrictions be lifted within 30 days because they had no legal basis. <https://www.brusselstimes.com/news/belgium-all-news/162742/belgium-must-lift-all-covid-19-measures-withing-30-days-brussels-court-rules-verlinden-human-rights-league-ministerial-decree-penalty-civil-safety-act-pandemic-law-coronavirus/>

In Japan meanwhile, Tokyo slave Governor Koike Yuriko was forced to stop pretending people were dying of COVID when she got sued by restaurant owners who provided evidence her pandemic measures had no scientific basis.

Speaking about Japan, we have been warned that the following Creep with a capital “C” has come out of hiding. <https://wrf.jp/yakuin.html>

His name is Nakai Tenzan and he is so despised in Japan that even gangsters shun him. He went into hiding after an associate of his told me he had bragged about killing my webmaster with a cancer-causing poison. He also once tried to get me to drink orange juice laced with amphetamines so he could film me in a high state and use that to ruin my reputation with Asian secret societies.

Tenzan has previously interrupted my public speaking engagements to tell the audience that the murder of 90% of humanity was inevitable and there is nothing we can do to stop it.

The fact that he has come out of hiding now probably means the Rockefellers could not find any other assassin to do their bidding in Japan. He needs to be hunted down ASAP and taken in for vigorous questioning. If anybody can provide actionable intelligence for taking down the mass-murdering Khazarian Mafia, he is it.

He is now hiding behind the banner “World religion the Vatican,” and “Unify Shinto, Buddhism, Islam, and Christianity.” <https://wrf.jp/index.html>

However, make no mistake, he is a cold-blooded murderer. Actually, no he is not a “cold-blooded” murderer because he definitely takes great pleasure in torturing and killing people. He and his associates need to be all removed from circulation before they participate in another mass murder event.

The fact that these people have come out of hiding and are openly meeting in Kyoto is also a strong signal that some sort of mass casualty event is planned for Tokyo. They were promised the capital of Japan would move to Kyoto after Fukushima but it never happened. They seem to expect that this time it will. It is a good bet the Tokyo Olympics are being set up as a massive sacrifice to Satan. The fact that foreigners are banned is a further sign this event is meant as punishment for Japan. Remember, it’s allegedly for a disease that hasn’t been scientifically proven to exist in an isolated and purified state for repeatable confirmation.

Nakai also once told me he took orders “from aliens,” i.e. the people hiding under the Swiss Mountains.

At this point, I should clarify that last week when I mentioned the Khazarian mafia bosses told me they took orders from “space aliens,” I used quotes to make it clear that is what they say. My own view is that we are dealing with humans using “aliens,” as a deception.

Regardless, think about the dystopia that these people are burdening us with. It is all hate, fear, disease, death, and everything negative. They have betrayed their fellow living beings and are working to destroy life. They need to be exterminated like vermin, without hesitation or guilt.

Certainly, people are looking to take action. For example, somebody set fire nearly simultaneously to three freemason lodges in Vancouver, Canada last week. <https://www.youtube.com/watch?v=zJUijrl09ro&feature=youtu.be>

Another person hacked the Rockefeller Facebook mind control operation and leaked personal data on 533 million users, including Mark Zuckerberg Rockefeller. <https://www.businessinsider.com/stolen-data-of-533-million-facebook-users-leaked-online-2021-4>

Anonymous individuals are also making their voices heard which is why the Rockefellers were forced to delete 2.5 million dislikes of their Biden CG videos on their Google mind control operation. https://www.theepochtimes.com/mkt_morningbrief/youtube-deleted-2-5-million-dislikes-from-biden-white-house-videos-data-indicates_3759997.html

We also notice Israel has been unable to form a government because their former dictator Benjamin Netanyahu has vanished, according to Mossad sources. The Mossad sources say Netanyahu blabbed about his masters before being “disappeared.” Presumably, he pointed the finger at Switzerland.

It’s important to understand the real enemy is hiding at the underground base complex in Switzerland. The forensic trails this writer has followed from the Rockefellers, Rothschilds, P3 Freemasons, etc. all led to Switzerland.

Our advice to the Russians, U.S. special forces, MI6, etc. has been to stop fighting the arms of the Octopus and instead go for the head. The most likely candidate to be the current Pindar or head of the pharaonic Octogon group is Karl von Habsburg. Find him and take him in for questioning. https://en.wikipedia.org/wiki/Karl_von_Habsburg

If Habsburg is not the Pindar, at the very least he can point us to who is. Then maybe we can finally put an end to the messianic, satanic disease at the heart of the global power structure.

On a final note, if the Gnostic Illuminati is right and the real problem is a rogue AI, then below you can find a possible diagram of its brain structure. https://upload.wikimedia.org/wikipedia/commons/3/3f/Internet_map_1024_-_transparent%2C_inverted.png

Maybe we really do need to temporarily shut down the internet and see what happens. This needs to be done before it's too late and the AI acquires the ability to completely hijack human minds. It could be quite liberating.
