

## Global warming faction sues for peace as Khazarian mafia purge intensifies

There were big moves last week at the top of the worlds' secret power structure, Asian and Western secret society sources say. The moves were triggered when Queen Elizabeth II asked the White Dragon Society to "Please send our good wishes from the Venetian families to our friends and neighbours in the East."

The Asians were asked to note the following speech by the Queen:

<https://www.itv.com/news/2021-11-01/cop26-read-the-queens-climate-speech-to-world-leaders-in-full>

The speech reads in part as follows:

"For more than seventy years, I have been lucky to meet and to know many of the world's great leaders...it has sometimes been observed that what leaders do for their people today is government and politics. But what they do for the people of tomorrow – that is statesmanship...the world has the chance to join in the shared objective of creating a safer, stabler future for our people and for the planet on which we depend...we are doing this not for ourselves but for our children and our children's children, and those who will follow in their footsteps."

The Asian secret societies answered (in part) as follows:

"We carry out our actions with the big picture of the world in mind...the planet is moving in a good direction. Please rest at ease."

(我々は世の中の大局を見て、すべての事を進めています。。世界は良き方向に向おうとしています。まずはご安心)。

This does not mean the Asians are buying into the lie that carbon is causing global warming or even that there is global warming.

Instead, the Asians proposed "we keep it simple and launch a massive project to increase the amount and variety of life including human life."

It is interesting to note in this context, that La Palma is calming down as are the problems with the three Gorges dam. It is probably just a coincidence.

In any case, after this exchange Mi6 sent the following message: "The deal has been done, the rest is housekeeping."

This housekeeping, of course, begins with an intensified purge of the Khazarian mafia from their last holdouts. This is taking place both in the West and in Asia. What is being removed is "The cult that is controlling Antonio Guterres in the United Nations," Western secret society sources say.

In Asia, the two big unfinished items of business are Korea and Taiwan. The Asian secret societies promise the peaceful reunifications of Taiwan with the mainland and of North Korea with South Korea are in the pipeline.

In the West, however, the following quote from a European royal makes it clear this will be no ordinary reckoning:

“The atrocity exacted upon the Russian Imperial family by the KM and many others around the world has not gone unnoticed. A very vast endeavour to expose this heinous hate crime is ongoing to root out and kill –we repeat kill- all concerned.”

The Rockefellers financed Trotsky and Lenin to overthrow the Czar because he refused to grant them oil concessions in Russia so; it is a pretty good guess that family is now being purged root and branch.

The removal of David Rockefeller’s grandson Mark Zuckerberg from Facebook and the renaming of that company as “Meta,” Hebrew for death, is a clear sign. The subsequent removal from Meta of face recognition data on a billion people shows the change in management.

<https://www.cnn.com/2021/11/02/facebook-will-shut-down-program-that-automatically-recognizes-people-in-photos-and-videos-delete-data.html>

The disappearance of Zuckerbergs’ “Jens Psaki” White House spokesmans persona is a clear sign the purge is well underway.

<https://beckernews.com/2-jen-psaki-also-hasnt-been-seen-in-public-for-eleven-days-since-announcing-she-has-covid-despite-being-fully-vaccinated-42960/>

The Rockefeller-owned pharmaceutical companies behind the fake pandemic and the real mass vaccination campaign are also now being targeted. “They get a knock on the door and we say we know who you are we know what you are doing and you better knock it off,” explains MI6. “Later we will suck them all up with a giant vacuum cleaner,” they add.

The purge of the pharmaceutical mafia is now undeniable. We can confirm for example that the CEO of Pfizer Albert Bourla was arrested last week. The corporate propaganda media has been hysterically trying to say this is not true. However, they are all now being forced to run stories saying that “new miracle pills” cure 89% of Covid cases and thus mean vaccines are no longer necessary.

As MI6 explains it “They are winding it down with this story about how a pill would fix it.”

In Japan, there are now zero new cases because the real cause of COVID, Rockefeller, and Rothschild family agents, have been all rounded up. All sorts of politicians and gangsters are now vanishing in Japan.

The following news items show how the fake pandemic is being systematically wound down elsewhere as well:

**“UK first to approve oral antiviral molnupiravir to treat Covid.”**

“Italian newspaper [Il Tempo](#) reports that the Institute has revised downward the number of people who have died from COVID rather than with COVID from 130,000 to under 4,000, a 97.1% drop.”

“The U.S. Court of Appeals for the Fifth Circuit suspended the Biden administration’s new vaccine requirement for private companies,”

The end of the fake pandemic is being sped up by the “vacuuming up” of many senior cabal agents.

Former New York Governor Andrew Cuomo has been executed at Guantanamo, according to CIA sources. His disappearance forced the corporate propaganda media to say he was arrested for sex crimes.

<https://edition.cnn.com/2021/10/28/politics/andrew-cuomo-charges/index.html>

California Governor Gavin Newsom has also now vanished from public view because he has also been arrested, the CIA says.

These removals are part of a move to finish off the entire fake Joe Biden regime, CIA sources promise.

This process has begun with the arrest of Russian analyst Igor Danchenko as a part of John Durham’s ongoing investigation into the fake Trump Russia dossier.

<https://apnews.com/article/europe-russia-arrests-john-durham-9d2344081036235309346ad95b14a8bc>

Danchenko’s arrest comes on the heels of the indictment of Michael Sussman for his alleged role in spreading the false Russia conspiracy theory. Sussman was a former counsel for Hillary Clinton’s 2016 presidential campaign and the Democratic National Committee.

These operatives are now singing like canaries about their boss Hillary Rockefeller Hanover Clinton and her entourage, CIA sources say. Since the fake “Fuck Joe” Biden regime is a front for Clinton, its days are numbered.

Their lackeys in Australia, New Zealand, Canada, and elsewhere are also doomed. Australian Prime Minister Scott Morrison for example is now wearing an ankle bracelet with a GPS monitor, according to Australian intelligence sources. “Morrison is under the control of the Alliance. He is co-operating,” the sources say.

New Zealand Prime Minister Jacinda Ardern has also revealed herself to be a lying psychopath when she abruptly ended a press conference after being asked why COVID was spreading the fastest in countries like Israel that had been thoroughly vaccinated. She will not be around much longer, the Australian sources promise.

The arrest of Canada’s Justin Castro is also now a matter of time, say Canadian intelligence agency sources. The video below makes it clear Trudeau/Castro is a major criminal.

The collapse of the EU is also continuing. There, the Poxit drama is being followed by Czexit, as the new Czech government repudiates the Euro.

[https://www.reuters.com/world/next-czech-government-will-not-adopt-euro-main-coalition-party-says-2021-11-02/?utm\\_source=reddit.com](https://www.reuters.com/world/next-czech-government-will-not-adopt-euro-main-coalition-party-says-2021-11-02/?utm_source=reddit.com)

The Russians have built up their military along the border with the rogue Ukrainian regime in a show of force. However, FSB sources say the Russians are going to wait for the EU to collapse further before making any big moves.

Of course, the Ukrainian regime is located near the original Khazarian mafia homeland so its' fate is closely linked to that of Israel. On this front, the Syrians have presented the world with the results of their interrogation of **Captured Israeli Colonel Yossi Elon Shahak. Shahak has confirmed that ISIS (Israeli Secret Intelligence Service) was an Israeli operation. He says "Israel directed ISIS to commit crimes under the slogans of Islam to eliminate calls for peaceful dialogue between the religions." ISIS' acts of theatrical terror were intended to panic the European Union as it faced a contrived refugee crisis, he told the Syrians. Overall, Shahak has confirmed what this writer has long asserted and that is that the KM -who run Israel- were trying to start a massive "clash of civilizations" that would leave Israel as "last man standing."**

Of course, Israel itself is a slave colony run ultimately by the pharaonic Octagon group headquartered in Switzerland. These are the people who replaced Pope Francis with a rubber masked fake and also run the fake Biden presidency. They also now run Thailand by keeping their king hostage in Germany.

Since our webmaster was poisoned in Thailand last week, the responsibility for the attack ultimately goes to this king. Here is what a European royal had to say about him: "The new king of Thailand is an atrocious drug addict and a disgrace to his family and all imperials and royals East and West. As we say a 'creep' to be done away with."

Speaking about "creeps," we notice that PayPal -founded by Elon Musk and Peter Thiel- once again attacked us financially by cutting off our webmaster. WDS previously put out and then secretly rescinded a bounty on these men when PayPal blatantly stole \$15,000 from this writer. At the time some highly placed criminals offered to collect the bounty by killing Musk and Thiel using electromagnetic weapons. WDS declined because, on the overall balance of things, these men seemed to be doing more good than evil.

<https://newspunch.com/elon-musk-exposes-massive-un-pedophile-ring-media-blackout/>

"However, we are hereby challenging them to an open debate about the future of this planet. Unfortunately, it is likely they will be too cowardly to accept the challenge. In that case, we may have to reconsider the bounty", WDS sources say.

Finally this week, we would like to point out a recent uptick in UFO sightings. For example, this video shows what looks like a UFO exodus from Boston.

[https://www.youtube.com/watch?v=z3Xn\\_6-JXNU](https://www.youtube.com/watch?v=z3Xn_6-JXNU)

This one meanwhile shows what has been described as a "mothership."

<https://www.youtube.com/watch?v=n16jAILZkMs>

Maybe now that the fake pandemic is winding down the fake UFO invasion is next? Or maybe the quarantine on the planet earth is about to be finally ended? Let us see.

For now, though, we must not count on ET or, for that matter, divine help. It is going to be up to us humans to save the planet. Remember, it's the only place in the universe we have to live in right now. Let's clean it up.
