The World Will Choose Its Future Timeline This Week

Over the next week, humanity will choose from one of several future timelines. One is the fraudulent instalment of Joe Biden as President followed by the U.S. surrender to Communist China. The second is the re-election of Donald Trump as president of the bankrupt U.S. Corporation, which may happen following an interim military government, publicly viewed election fraud investigation, and eventually what Trump described as “a smooth transition” to the new Republic. This could involve an escalating trade and cyberwar with China, to the detriment of Planet Earth.

The third is to choose neither of the above, followed by an interregnum to replace a corrupted and bankrupt U.S. Corporation with something that actually represents the aspirations of the American people and of humanity as a whole. This third option would mean humanity would be free to decide its own future, instead of being herded by fear from one manufactured crisis to the next.

The future of the United States will be in the hands of 20,000+ National Guard troops who have been deployed in Washington DC to oversee the inauguration of the next president of the U.S. Corporation. What these troops need to ask themselves is why are they guarding the so-called democratically elected government from the people.

Instead of facing out to protect a corrupt government from the wrath of the people they supposedly represent, they need to realize instead they have the criminals surrounded. They have to round up the Deep State actors inside the beltway who were knowingly involved in the certification of a fraudulent election and committed treason.

That means the American people need to work the phones, call friends and friends of friends, to contact the people deployed in DC, and remind them they swore to protect the constitution of the Republic of the United States of America against ALL enemies FOREIGN and DOMESTIC. On January 20th you will have them surrounded. Go round them up while you can.

The troops stationed in DC may have been brainwashed into believing they are protecting a legitimately elected Joe Biden against “White Supremacist” Trump fanatics. That is why these troops need to ask themselves why they did not have to protect Barack Obama from these same “White Supremacists” when he was elected. The reason is that when Obama was elected they believed it was by a majority of the American people (and Dominion voting machine software). That is not the case with China Joe where additional fake ballot dumps in the middle of the night were required.

The other thing the troops need to understand is that they are being lied to about why the presidential inauguration has to be held behind closed doors as a “virtual inauguration,” because of the “Covid-19” pandemic. The U.S. military has been provided with decisive proof that the entire manufactured crisis is the result of a long-planned, elaborate fraud. Additionally, there is also the possibility they may be aware that a transition is about to take place from the U.S. Corporation to the return of the Republic.

Below is the scan of a patent for a “Covid-19” test that was registered by Richard A Rothschild in 2016, three years before the so-called pandemic broke out. Take a look at the third line from the bottom: “Last updated 22.06.2016.” [Covid test patent](#)

We made a hard copy of this patent registration because we are sure once this is exposed they will break into the database and try to alter the dates.

MI6 sent the following message to the Western-allied military command:

“The public health emergency is either false or a cover for something far worse all of which appears to stack up having established the single fact that in 2016 the patent was filed in the Netherlands for the PCR test...[therefore] we urge the international armed forces and military intelligence capabilities to conduct a counter-intelligence operation and deep dive.”

Plenty of other documents have been put out by whistleblowers making it clear this “pandemic” campaign was planned long in advance in order to force the population to be injected with DNA altering vaccines containing microchips. Remember COVID-19 stands for Certificate of Vaccination Identification 2019.

This is now out in the open with slave “leaders” in the EU and elsewhere pushing for vaccine passports. <https://summit.news/2021/01/13/eu-leaders-demand-standardised-vaccine-passport-for-travel/>

<https://www.zerohedge.com/covid-19/microsoft-big-tech-coalition-developing-rockefeller-funded-covid-passports>

Remember both Biden and Trump are pushing vaccines for a non-existent virus. If the Rockefeller gangsters, using Biden as a frontman, take power, they have already announced they will deploy the National Guard to enforce vaccinations. <https://www.cnbc.com/2021/01/15/biden-to-deploy-fema-national-guard-to-set-up-covid-vaccine-clinics-across-the-us.html>

In a speech last week Trump called the scandemic a “horrible, horrible invisible enemy.” Actually though, the enemy is visible now.

In Japan, for example, all the so-called positive Covid test results come from quack “PCR” tests made by companies owned by the hedge fund Kohlberg Kravis Roberts. The Japanese military police were hand-delivered evidence that KKR Japan was responsible for all the fake Covid results and the company was engaged in insider trading, based on pre-knowledge of this entire plandemic psy-op.

Mossad and FSB sources both say so-called “world leaders,” have been bribed with exclusive contracts to sell masks, vaccines, etc., in exchange for going along with the fake pandemic. MI6 says the IMF, the World Bank, and the BIS are financing the entire operation.

Rest assured the White Hats are not standing idly by. Most of our readers have probably seen the following news item, splashed all over global media about the death of Benjamin de Rothschild. For example, ABS news reported it as follows:

NEW YORK — Benjamin de Rothschild, who oversaw the banking empire started by his father in 1953, has died. He was 57.

The Edmond de Rothschild Group, the company he was chairman of, said that de Rothschild died of a heart attack Friday afternoon at his home in Pregny, Switzerland.

However, according to Mossad sources he faked his death because special forces were closing in on him as one of the key criminals behind the ongoing “pandemic,” and the associated medical totalitarianism.

Mossad says de Rothschild is currently hiding at the following location in Ushuaia, in Southern Patagonia, Argentina:

There is nowhere either on or off this planet where these people will be able to hide once their crimes against humanity are fully known. They are being systemically hunted down by White Hat special forces.

Asian secret societies are also on the case, now that they realize many top officials of the Chinese Communist Party are also corrupt Rothschild servants betraying – and murdering – their own people for profit and personal power in the name of this fake pandemic.

For example, officials in Tianjin, China confirmed the PCR test used to justify the existence of this virus is fake after ice cream tested positive for “Covid-19.” Of course, the corrupt media is trying to spin this into their fear-mongering. <https://www.telegraph.co.uk/news/2021/01/17/china-reports-ice-cream-contaminated-coronavirus/>

The reason why fruit, goats, Coca Cola, gasoline and ice-cream, etc., test positive is that the Polymerase Chain Reaction Test used is scientific nonsense. It is basically the same as making a copy of a copy of a copy over a billion times, resulting in random positive results no matter what you test.

The reason de Rothschild faked his death is that a critical mass within the military intelligence community worldwide is waking up to the enormous crime he and his fellow Khazarian Mafiosi have been carrying out.

The people at large are also waking up with mass demonstrations against lockdowns breaking out in multiple Rothschild slave countries. <https://www.zerohedge.com/political/10000-protesters-vienna-march-against-coronavirus-restrictions>

Ok, enough about the scamdemic. Let us not let that distract from other things happening around the planet.

For example, we noticed a staged press event where Dutch Prime Minister Mark Rutte and his entire cabinet resigned over a “child welfare scandal.” <https://www.cbsnews.com/news/dutch-government-cabinet-mark-rutte-resign-child-welfare-scandal/>

We have been previously told by Pentagon sources that Rutte and the Dutch Royal Family were killed some time ago because they were torturing and murdering children. If you still don’t think kids are being murdered please read this report about an official Irish government investigation into the deaths of 9,000 children. <https://news.sky.com/story/9-000-children-died-at-brutally-misogynistic-homes-for-unmarried-mothers-in-ireland-12185934>

In any case, in this age of disinformation, we cannot be sure if the resigned “Rutte,” who left the parliament on a bicycle in front of media cameras was the real thing or a body double. However, the resignation of a government deeply involved in the Malaysia Air flight 370/17 mass murder incident is definitely good news.

We also note that Italian Khazarian Cabal agent former Prime Minister Matteo Renzi and his party have left Italy's ruling coalition. Renzi was deeply involved in the U.S. election theft on behalf of the Biden faction, Pentagon sources say.

MI6 sources say that German Prime Minister Angela Hitler Merkel will be out of office in April and not October as previously announced. Her removal would mark the formal end of the German Fourth Reich that began with the September 11, 2001, fascist coup in the United States.

We also note that a secret war is still raging within the Catholic Church. In the past week nine Catholic Bishops were murdered, or "died from Covid-19." We are not sure if they were being killed because they were Satanists or if they were being silenced because they wanted to tell the world Pope Francis had been killed. The P3 Freemasons did not get back to us with an answer before this report went live. <https://www.catholicnewsagency.com/news/nine-catholic-bishops-with-covid-19-die-in-a-single-week-36233>

Unconfirmed Spanish news reports are also now saying that U.S. so-called President-elect Joe Biden died of a heart attack six days ago. Of course, our sources in Washington say he died even earlier but it may be a sign the entire Biden psy-op is unraveling. We will keep our readers posted with special updates as required on this and other topics related to the January 20th "inauguration." <https://www.youtube.com/watch?v=UJAYCWgA9GI>

The other news we want to touch on this week is the U.S. space force. Last week the Director of National Intelligence issued the following press release: <https://www.dni.gov/index.php/newsroom/press-releases/press-releases-2021/item/2179-dni-ratcliffe-welcomes-u-s-space-force-as-18th-intelligence-community-member>

It reads in part:

Director of National Intelligence John Ratcliffe today welcomed the U.S. Space Force (USSF) as the 18th member of the U.S. Intelligence Community (IC).

During an afternoon ceremony, Ratcliffe and Chief of Space Operations Gen. John W. "Jay" Raymond announced the designation of the intelligence element of the U.S. Space Force as a member of the IC.

What makes this interesting is that it was Raymond who told Japanese Prime Minister Shinzo Abe to either resign or Tokyo would be obliterated. This announcement may be a prelude to the long-anticipated, but still unproven, the unveiling of the much talked about Secret Space Program. It would be great if the Space Force came to the rescue of humanity and finished off the Satanic cabal once and forever. However, as usual, our advice on UFO and space-related stuff are to believe it when you see it.

Again there is a lot we cannot report for operational security reasons but your correspondent is more confident than ever that the good guys are winning.
