

BREXIT: They don't get it.

**We don't care if "The City" of London loses money on Brexit
because they told us we would get cheap; cars, fuel, energy & equal EU prices in 1970 & we didn't.**

LIARS.

**We don't care if "The Corporations" get a "Bad Deal" from Europe
because they; don't pay tax & hide their profits offshore.**

LIARS & CROOKS.

**We don't care if "The Government" hasn't got the money to buy into The EU Customs Union
because all you gave us was**

AUSTERITY.

**We don't care if you lose money on "The Deal" because it's not about money it's about
CROOKS & THIEVES.**

**We don't care if public servants lose their jobs because they made our friends
HOMELESS.**

**WE CARE About the Tory Party plan to flood our Cities with millions of Muslim migrants to destroy our
COMPASSIONATE SOCIETY.**

BREXIT: Is about Integrity, Justice, Democracy & National Heritage.

Which is everything you just destroyed,
