## Red October begins with Worldwide Attack on Deep Underground Military Bases

The long-anticipated October offensive against the Satanic Cabal has gone into full swing, Pentagon sources report. This includes attacks on Deep Underground Military Bases in California, Switzerland, Portugal, Spain, New Zealand, Australia, and Germany, the sources say.

The biggest battle was an attack on the underground base complex near Palm Springs, California. This was where self-described Satanist leader Leo Zagami fled to avoid arrest in Italy. Zagami claimed he could summon demons and admitted to eating human fetuses, and has been leading a campaign against Pope Francis.

The attack on the underground base was reported in the news as a swarm of close to 600 earthquakes. However, these bore the telltale signs of being caused by explosives and not natural processes, according to U.S. Geological Survey sources. <https://temblor.net/earthquake-insights/californias-salton-sea-rumbles-again-11826/>

Pentagon sources also say “over 1,600 Israelis may have received extra-judicial treatment as protests against Bibi [Crime Minister Benjamin Netanyahu] continue.” Furthermore, Israel has been exposed for trying to start World War III by fomenting a dispute between Azerbaijan and Armenia,” the sources say. Israel is being forced to sign the nuclear non-proliferation treaty and de-nuke as a condition for Middle East peace, they add. <https://www.ynetnews.com/article/HJK2bD8ID>

“The attacks began after U.S. President Donald Trump declared a national emergency on the first day of the fiscal year 2021 [October 1, 2020] and then left the White House to man battle stations for Red October,” the sources say. It was also on this day that U.S. “doomsday planes” were sent airborne as a sign of preparedness for all-out nuclear war.

This offensive was telegraphed in advance on the Trump-anon (mis-labeled Qanon) website with the following pictures. One shows a Mickey Mouse watch with hands pointing at 10 and 2 to indicate October 2<sup>nd</sup>. The other is self-explanatory.

However, Trump remains in imminent danger of assassination, multiple sources say. The biggest threat is from his son-in-law Jared Kushner, P3 Freemason, and MI6 sources agree. “The Trump business is confusing but there does seem to resonate some theory about him evading assassination...that dreadful Kushner was on the runway with one of the Hicks,” MI6 sources note. They were referring to an un-named relative of Trump PR assistant Hope Hicks, who allegedly was responsible for contaminating Trump with a Mossad poison, hence the Covid-19 positive test result, the sources say.

The P3 Freemasons are saying they would prefer to have General Mike Flynn as President and Mike Pence as Vice-president. That's because these individuals support their goals of a world republic and world peace. Jesuit sources say Pence has been flown to North Korea for personal protection.

Regardless of how the Trump offensive goes, MI6 notes:

"The U.S. is a rogue state on the verge of all-out civil war with the general fabric of society in tatters and vast tracts of the country in a state of ruin. It would not be beyond the realms of possibility the sitting president would be killed as part of this."

It is also worth noting that the Tokyo Stock Exchange shut down due to a "glitch," on October 1<sup>st</sup>, the first day of the United States of America Corporation's fiscal New Year.

According to Japanese military intelligence, the real reason the TSE was shut down was to...

cut off the flow of money from the Bank of Japan to the Khazarian Mafia. As background to this, after the Nazi Bush coup d'état of September 11, 2001, Japan was forced (under threat of attack by earthquake weapons) to hand over control of all of its listed companies to hedge funds owned by Khazarian mafia kingpins like the Bush, Rockefeller and Rothschild families.

The Bank of Japan (which is neither a bank nor Japanese) has ever since then been laundering money to them via the TSE. That flow has now been cut off, the sources say.

The international cut off of money to the financial industry is one of the reasons why only 10% of the people working in the financial industry of New York are employed now. It is a good bet 90% of this mostly parasitical industry has been permanently shut down.

Related to this is the news that checks sent from the U.S. Department of Labor have started bouncing. The first bounced checks showed up in the U.S. Virgin Islands where members of the Rothschild family have been hiding.

Please remember it is a matter of public record that when Trump was a businessman, each time he went bankrupt he was bailed out by the Rothschilds. Has his relationship with his former financiers really changed? <https://www.zerohedge.com/economics/departement-labor-acknowledges-unemployment-checks-are-bouncing>

We realize we are getting and reporting contradictory information from our sources about Trump. This reflects the fact we have sources on both sides of this ongoing civil war in the West. It is almost as if there are two sides to the sitting president. One is the patriotic hero we support who is re-establishing the Republic of the United States of America and rounding up all the Satanic pedophiles.

However, the other side of his public persona appears to be going along with the Covid-19 (Certificate Of Vaccination ID 2019) scamdemic and its vaccination ID agenda. This leaves us to wonder is he sincere in this effort, or is he just playing along knowing that it's difficult if not impossible to come up with a safe and effective vaccine, and just keeping the stock market happy by appeasing the drug companies with a positive outlook for their goals?

One theory is that by gauging the backlash against HCQ as a preventative and treatment when Trump supported it, by promoting the vaccine he will appear to be doing all he can to end the pandemic for voter support in the run-up to the election, and cleverly sucker the Democrats into coming out negative against a vaccine as Kamala Harris has already done.

Our sources in the KGB, MI6, NSA, and the Vatican Secret Service all say Trump's son-in-law Jared Kushner is a top Satanist. So it would be good to see Trump announce the arrest of Kushner, in order to confirm he is acting in the best interest of the country first and foremost.

P3 sources also tell us a certain Paolo Foa a member of the Adosso Foundation in Washington DC, is one of the groups still pushing for Satanist leadership of the world. They recommend finding and neutralizing him ASAP.

Also connected to all this is news that the U.S. Air Force has been put under the command of the U.S. Army. This is important because the Air Force command had been thoroughly infiltrated by religious fanatics trying to start Armageddon

This is especially relevant for Japan because the country was being terrorized by Satanists hiding in the Yokota Air Force base in Western Tokyo. They were led by Barbara Bush's cousin Richard Armitage, and Rothschild agent Michael Greenberg of the CSIS (Center for Satanic and International Studies). <https://www.upi.com/Defense-News/2020/10/02/U.S.-Army-Air-Force-unite-in-Joint-All-Domain-Control-and-Command-structure/6881601653690/>

We note that U.S. Secretary of State Mike Pompeo has been forced at the last minute to cancel most of his planned trip this week to Asia. He was told he would not be getting any money or gold so as not to waste his time on a trip the simultaneously beg and make threats, Asian secret society sources say.

Pope Francis last week commented on the financial situation in the West with the following comments:

“Anyone who thinks that the only lesson to be learned was the need to improve what we were already doing, or to refine existing systems and regulations, is denying reality...It is imperative to have a proactive economic policy directed at ‘promoting an economy that favors productive diversity and business creativity’ and makes it possible for jobs to be created, and not cut.”  
<https://apnews.com/article/virus-outbreak-pope-francis-archive-capitalism-bcde0053314e65612add0709fada5519>

Francis and the P3 support a jubilee, the creation of a meritocratic future planning agency, and a massive campaign to end poverty and stop environmental destruction. That is why the Satanists oppose him so strongly.

Before we delve further into the ongoing civil war in the West, though, it is time to examine some bizarre events happening in the solar system. To get an understanding of how world-changing events may be imminent, try a web search using the search term “observatory shut down.”

You will quickly realize that observatories all over the world are being forcibly shut down. Allegedly this is due to “Covid-19,” or “technical glitches”, etc. but in reality, it is to prevent people from realizing things like the planets are moving in ways that cannot be explained by Newtonian mechanics

For example, maybe I was hallucinating (I am not taking any drugs) but the full moon on October 2<sup>nd</sup>, looked bright yellow and had a happy face on it. Now we have a blue moon, a hunter's moon, and a micro-moon appearing simultaneously on Halloween.

This to have suddenly been announced although I am sure reasonable explanations will be made for it. While blue moons are not actually supposed to be blue, take a look with your own eyes on October 31<sup>st</sup>. If it is actually blue, you will know these are indeed extraordinary times we are living through.

Also, the planets Mars and Venus seem to be shining brightly and close together every night. News reports explain the brightness of Mars, for example, by saying things like “Mars opposition happens

about every two years, but this year is particularly noteworthy because it's the closest the red planet can get to Earth." <https://www.cbc.ca/news/canada/toronto/mars-shine-bright-next-ten-days-1.5749742>

Of course, this could all be a coincidence, but then why shut down all the observatories? NSA sources also say the planets are moving in un-explicable ways. However, do not take our word for it, just go look at the sky with your own eyes.

Anyway, back on the Planet Earth, we are seeing many signs the good guys are winning. For example, former French President Nicholas Sarkozy is facing jail time for corruption. [https://www.independent.co.uk/independentpremium/world/nicolas-sarkozy-corruption-trial-france-b747446.html?utm\\_source=reddit.com](https://www.independent.co.uk/independentpremium/world/nicolas-sarkozy-corruption-trial-france-b747446.html?utm_source=reddit.com)

Also, Rwandan genocide suspects have been arrested in Belgium. The Rwandans were massacred on orders of the Khazarian mafia cabal because they refused to follow orders to keep their population growth in check. Now that their Belgian royal family protectors are gone, justice is being served. <https://www.aljazeera.com/news/2020/10/3/belgium-detains-rwanda-genocide-suspects>

As far as the reports we received about the Dutch Royals being killed are concerned, MI6 sources say, "they cannot comment." However, British Royal family sources did say:

"The house of Orange Nassau [Dutch Royals] is only one of the many houses which make up the Venetian Black Nobility of Europe. The original Phoenicians who settled in Venice are the roots of the Dutch then the East India Trading Company, which was the corporate militia of the British Empire. They were so-called Black Nobility because of their dastardly acts. The Queen by the way of the Royal Standard represents the house of Hannover, which is also one of the Venetian Noble Houses."

The sources also say, "Human sacrifice has always been part of human civilization and it will take time to die out as is the case in all changes of the guard." We have heard before from a different British Royal that human sacrifices used to take place in Balmoral Castle. That ancient Phoenician practice has now been discontinued the sources say.

Whether or not such events can be dealt with through a Peace and Reconciliation Committee is something the people will have to decide when this battle for the Planet Earth finally ends. However, it is worth remembering those born into these Satanic cult bloodlines had no choice but to go along with these practices or be themselves killed. Hopefully, when the war ends, the majority of the one million or so Satanists can be re-educated, rehabilitated, and set to good work.
