

Hollywood FX Can't Save Bankrupt USA Inc.

It's over folks, the criminal enterprise known as the Corporation of the United States of America is finished. Actual on the ground reporters with White House Press passes, confirm that nobody is in the White House. The corrupt members of Congress and the Senate dare not show their faces in Washington DC, knowing they could be arrested if they do

so. <https://www.washingtontimes.com/news/2021/jan/21/house-cancels-business-during-first-full-biden-wee/>

Here is a picture of the oval office sound stage where they are shooting the so-called "President" Biden using Hollywood FX.

This is always another option.

Different uniforms were used for the fake inauguration of Biden. One source on location says actors were hired.

Now compare with the inauguration of George Bush Jr. The uniforms all have insignia.

There is plenty of other evidence out there, such as photos of a parking lot behind the "Oval Office," when the real one would have a lawn in the background.

Thief in Chief Biden and team were denied the use of a government plane and had to fly on a private jet, illustrating how he is an illegitimate president.

Pentagon sources say we are now in an interregnum before a Republic of the United States of America is established. Eventually, potentially from Alaska to

Argentina they suggest. A new capital will be built, and Washington DC will become a museum and tourist attraction, the sources say.

Remember, the Republic of the United States of America founded in 1776 was replaced by a privately owned corporation in 1871. That corporation's shelf life has now expired.

However, the owners of the Corporation: the Rockefeller and Rothschild, etc. crime families are still fighting tooth and nail to keep their illusion of control intact. They have reached a deal with Communist China to finance their corporation and have been blackmailing the U.S. military with nuclear dirty bombs.

That is why their sh-t-show is still on many television sets. As further evidence the Rockefellers are trying to sell us out to China, take a look at the CCP flunky they want to run the CIA:

However, Pentagon, British MI6 and Russian FSB sources say a counter-attack is underway that will end their entire fake pandemic and related attempt at establishing totalitarian rule. Russian FSB sources promise “the global trend is to stop the pandemic hysteria by May.” Of course, we have seen so many deadlines come and go with no visible change happening that we will only believe this when we see it.

Nonetheless, the reason the Russians say it will be over by May is because – although the information has been carefully scrubbed from the English language internet – the fact is that in 2020 global mortality statistics show no increase. In other words, the objective facts show the entire pandemic is fake.

The article at the link below in Russian has English charts showing these statistics. Please use Google translate or something similar to read the text. <https://hippy-end.livejournal.com/3918359.html>

Furthermore, shocking revelations about the real reason for the ongoing mRNA vaccination campaign have motivated world special forces to intensify the hunt and kill operation against the Khazarian Mafia politburo and their flunkies. This means, for example, the entire extended Rockefeller family is being rounded up.

Here is proof of Rockefeller guilt from a document their foundation produced in May of 2010:

“In 2021, the pandemic that the world had been anticipating for years finally hit. Unlike 2009’s H1N1, this new influenza strain — originating from wild geese — was extremely virulent and deadly. Even the most pandemic-prepared nations were quickly overwhelmed when the virus streaked around the world, infecting nearly 20 percent of the global population and killing 8 million in just seven months, the majority of them healthy young adults.

The pandemic also had a deadly effect on economies: international mobility of both people and goods screeched to a halt, debilitating industries like tourism and breaking global supply chains. Even locally, normally bustling shops and office buildings sat empty for months, devoid of both employees and customers.

The pandemic blanketed the planet — though disproportionate numbers died in Africa, Southeast Asia, and Central America, where the virus spread like wildfire in the absence of official containment protocols. But even in developed countries, containment was a challenge.

The United States’s initial policy of “strongly discouraging” citizens from flying proved deadly in its leniency, accelerating the spread of the virus not just within the U.S. but across borders. However, a few countries did fare better — China in particular.

The Chinese government’s quick imposition and enforcement of mandatory quarantine for all citizens, as well as its instant and near-hermetic sealing off of all borders, saved millions of lives, stopping the spread of the virus far earlier than in other countries and enabling a swifter post-pandemic recovery...

By 2025, people seemed to be growing weary of so much top-down control and letting leaders and authorities make choices for them.” <https://thewatchtowers.org/wp-content/uploads/2020/04/Rockefeller-Foundation.pdf>

Even worse, the vaccines they are now trying to inject into everybody on Earth are using CRISPR gene-editing technology to alter people’s DNA and brain structure in order to...

remove genes related to religious belief and add genes to increase dopamine production. This would make people passive and happy no matter what their government was doing to them.

Take a look at the following two videos, one less than five minutes and the other 29 minutes (if you a pressed for time skip to the last 10 minutes) to see exactly how they are doing this.

<https://youtu.be/spw5nmUrpWA>

<https://youtu.be/GjhQfO-9hT8>

The speaker in the first video says a gene called VMAT2 has been associated with religious fundamentalism. He recommends vaccinating people in the Middle East with a virus that will remove this gene and thus eliminate fundamentalist fanaticism. However, as an FSB source pointed out: “a ‘side effect’ is that any other religious experiences and belief in God would also be eliminated.” The FSB says the U.S. Corporate government has already carried out this vaccination campaign in the Middle East.

The speaker in the longer video describes how they used CRISPR gene-editing vaccines to change the brain structure and behavior of rats. He was talking about using the vaccine to treat drug and other addiction problems. Again though, as the FSB source points out “it explains how the vaccine can edit genes to change behavior: people can be happy all the time as their dopamine production is boosted. They can be stopped from becoming violent and become obedient.”

So there you have it, the Khazarian Mafia wants to turn us into happy, spiritually empty, sheeple who have been genetically programmed to be obedient no matter what. This is worse than even George Orwell imagined in his novel 1984.

This is what MI6 had to say on the subject:

“The KM sponsored mRNA vaccines contain CRISPR gene-editing technology, which is not inoculation but genomics and is contrary to international law and highly illegal.

The international so-called public health emergency is placing immense strain on global economies and all of their public administrations including the civilian police and courts. The violations of international law are widespread and ever-increasing.

The sheer body of counterintelligence we gather on a daily basis since the onset of this so-called public health emergency gives us very good reason to suspect all that is being told about this and the decisions being made thereafter are not altogether reliable.

We will therefore conduct our counterintelligence operation in symphony with all of the world’s military intelligence communities to get to the bottom of the matter and expedite an ending to what is so very draining for us all.”

The Canadians are also getting ready to declare war on the Rockefellers and their minions because the Rockefeller script-reader Biden has taken actions to protect Rockefeller Middle East oil operations by preventing Americans from buying non-Rockefeller controlled Canadian oil.

Ontario Premier Doug Ford, Alberta's Jason Kenney, and Saskatchewan's Scott Moe have openly said they want to go to war with the United States over the cancellation of the Keystone XL pipeline. <https://globalnews.ca/news/7592405/trudeau-premiers-keystone-xl/>

Canada's Manchurian candidate slave Prime Minister Justin Castro is trying to prevent this from happening. However, the Canadian military has already stopped obeying him after he tried to order them to teach the Chinese how to wage winter warfare. They refused because teaching winter warfare to the Chinese would make it easier for them to invade the American continent via Alaska.

The scheme to conquer the Americas via Alaska was first formulated in 1929 by the Japanese militarists in their Tanaka plan. So now, Canadian military forces are joining with the U.S. military to finish off Khazarian Mafia rule in North and South America and prevent Chinese colonization of the Americas.

The Russians will also stand with the Canadians and Americans, FSB forces promise. That is why the Pentagon issued the following statement;

"The decision to seek a five-year extension of New START advances the nation's defense. Russia's compliance with the treaty has served our national security interests well, and Americans are much safer with New START intact and extended. We cannot afford to lose New START's intrusive inspection and notification tools."

Of course the Chinese moderates are not behind this Rockefeller betrayal plan. For example, Foreign Ministry spokesperson Hua Chunying said at a recent press briefing, "I believe that with joint efforts of both sides, the 'better angels' in China-U.S. relations will be able to overcome forces for evil." Asian secret societies understand very well that the "forces for evil," refers to the Khazarian Mafia.

A couple of other recent developments in the war to liberate Planet Earth need to be mentioned here. One was an attack that destroyed one of the largest "Covid-19" vaccine plants in the world. MI6 sources say the vaccine that was being produced there was not one of the gene-editing mRNA vaccines, so it may have been an attack aimed at forcing Indians to accept mRNA vaccines.

The other thing to note is that the former head of the Vatican bank was found guilty of embezzlement last week. This is important because the Vatican bank has been the instrument long used to control the so-called world leaders we see on our TV sets.

Finally, if people want to find out what is really going on with the world's elite and want to pressure them to do the right thing, they should watch and lobby the activities at the online Davos forum going on this week. Believe it or not, many of the elite actually want to do good and need public support.
