

This new **system** has been designed in preparation for the takeover of the Central Bank Monetary Debt **System** to end the financial slavery and control over the populace.

It is a Quantum Computer blockchain system which runs on the Starlink satellite system.

<https://www.starlink.com/technology>

It is fraud proof. Anyone or Corporate entity can lose their bank account for breaches of integrity.

Connection to the QFS requires a government to sign up for a thousand year peace accord.

This will therefore end War & Fraud empires like the British Crown Empire.

This peace accord is known as Gesara Nesara which works on the basis of Nation States.

Global Economic Security and Reformation Act.

NESARA GESARA law

National Economic Security and Reformation Act

The quantum financial system is designed to empower We, The People.

It is based on trust, transparency and security.

### **Preparing for the big financial shift**

The world has been using money for thousands of years. It's the most reliable and efficient way to move and store wealth.

Starting with shells and stones, then moving to metals, cash, the digital age, crypto, and it just keeps progressing. But one thing is for certain: the world financial system is broken.

It's a complex, slow and expensive mess that doesn't work for anyone but the insiders.

The gap between the rich and poor keeps growing and the traditional financial system is becoming increasingly irrelevant.

Empires are notorious for their [debasement of currency](#). It means nothing to them, except for the hold they have over you.

Every civilization in history that attempted to protect it's wealth with [sound money](#) has been financially victimized and had their wealth stolen from them by the repeated process of counterfeiting currency.

It's time for something new.

A new financial system is tearing down the old one and shaping up to be a better one.

That's where quantum comes in. The quantum financial system is designed to empower the people. It's based on trust, transparency and security.

The quantum financial system is disrupting the world financial system by offering a new, quantum safe financial model that works for everyone. At least that's what we are being sold.
