

FRAUD NATION

Britain isn't just "Ripoff Britain" it's an administration mired in corruption.

The lies & financial deceit targeted at the ignorant masses is littered with criminal Tax frauds.

Tax frauds perpetrated for illicit profit & money laundering for The Aristocracy.

UK Parliament is legendary for its Insider Trading.

The Corporates are unchecked in accountancy fraud, offshore tax frauds & blatant thievery.

The legitimacy of the HMRC, the Financial Watchdogs & government watchdog agencies are cynically manipulated by blackmail, greed, & cronyism.

The London media lies a thousand times a day to keep the population ignorant & in fear.

They have now succeeded in destroying their own financial system with corruption.

Corruption so rife, they can't even trust the interbank money rates.

They just print more paper money to fulfil their greed.

But their corruption has led them into a world of illicit moral degradation.

Hooked on Adrenochrome. The elixir of youth, to boost Thier energy & beauty.

A drug extracted from children as they suffer the adrenaline rush of torture & rape.
