Channel

The main message we want to transmit to the people on earth is don't be afraid. Your fear is trapping you in a low frequency. We will assist you in your changes to The New Earth in human ascension We will not allow nuclear weapon use. The changes that you are going through are only temporary. Some of the changes will be painful. You must persevere. Turn your back on your rulers. Turn your back on your old life. This is a new reality. You do not need rulers

This is a new reality.
You do not need rulers.
You are your own Divine being.
You have powers dormant in you,
That will be released as you expand your consciousness
To the Fifth Dimension 5D, The New Earth.
We will create Peace on Earth, together.
