THE ROCKEFELLERS DECLARE WAR ON RUSSIA.

The Corporate Directors behind the drive for WW3 & Forever Wars are looking to expand the Ukraine war & spread it to Russia & China.
The planetary controllers are not happy about this.
THE USA was on its last chance with US President Donald Trump but now the Corporate Criminals are trying to overthrow him.

The alternative resolution to this problem is a combined nuclear attack on the USA.
Something that the Rockefellers don't seem to care about.
The Simpsons said that there is no USA on the World Map after 2030.

As the Rockefellers battle to take over the USA.
Amazon, Meta, Instagram, Facebook, Democrats, Anti-Fa, BLM, Standard Oil, Media corps, US Banks are fighting a Civil War against US President Donald Trump.
Amazon tech is #allegedly sabotaging Trump supporters devices & the Election.
