

The Exeter City 20 Year Plan

Exeter City Council have proposed a new 20 year draft plan for Exeter.

This appears to be a plan of how they are going to spend our money for the new 20 years.

It includes 30 sites for development.

They seem to have forgotten all their Crimes Against Humanity & make no apologies for the things they have put us through over the last few years; the Vaxxine mass murders, the forced lock downs, sterilizing our children etc.

If you have any comments to make to your Councillors please attend the events listed below.

If you have any comments to your Civil Servants, who will be hiding, you can write to The Local Planning Team can be contacted at;

They should not get away with “Business as Usual” after all they have put us through.
